St Andrew's C of E Primary School

	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Recognise circles, squares and triangles Say numbers up to 10 in order	Know number bonds to 5	Know all number bonds for 10 and 20	Know all addition and subtraction facts for multiples of 10 to 100	Consolidate multiplication and division facts for 3 x, 4 x and 8 x tables	Consolidate multiplication and division facts for all times tables up to 12 x 12	Derive multiplication and division facts using multiples of 10 and decimal numbers e.g. 50 x 7 = 350, 8 x 0.7 – 5.6
Autumn 2	Know one more and one less than numbers to 10	Know number bonds to 10	Know multiplication and division facts for 2 x tables	Know multiplication and division facts for 2 x, 5 x and 10 x tables	Know multiplication and division facts for 6 x tables	Know the prime numbers within 100	Know the test for divisibility for numbers up to 10
Spring 1	Partition a number up to 5 into two parts	Know number bonds to 20 (addition)	Know multiplication and division facts for 10 x tables	Know multiplication and division facts for 3 x tables	Know multiplication and division facts for 7 x tables	Multiply and divide whole and decimal numbers by 10, 100 and 1000	Multiply and divide decimal numbers by 10, 100 and 1000
Spring 2	Know numbers to 10 (addition)	Know number bonds to 20 (subtraction)	Know multiplication and division facts for 5 x tables	Know multiplication and division facts for 4 x tables	Know multiplication and division facts for 9 x tables	Recognise square and cubes numbers	Know square roots of square numbers to 15 x 15
Summer 1	Know odd and even numbers to 10	Count forward and backwards in steps of 2, 5 and 10	Know all addition and subtraction facts for multiples of 10 to 100	Know multiplication and division facts for 8 x tables	Know multiplication and division facts for 11 x and 12 x tables	Know decimal number bonds to 1 and 10	Know all previous number bonds including decimals that total 1 or 10 (two decimal places)
Summer 2	Say numbers up to 20 in order. Know doubles up to 5 + 5	Know number bonds to 20 (addition and subtraction)	Know all doubles and halves of even numbers to 20	Know number bonds to 100 (any given number)	Know decimal number bonds to 1	Know the decimal and percentage equivalents of the fractions ½, ¼, ¾, ⅓, ⅔, tenths and fifths	Know doubles and halves of all 2 digit numbers including 2 digit decimals
